Nederland supporting 'The Music Man'

Feathers are flying, from costuming and hats, as "The Music Man" cast gets ready for "Trouble."

It's just a song, about the dangers of a pool table coming to town, but it's singable. The cast of Nederland supporters hope the audience will get into the act by catching the show.

The Nederland ISD Summer Rec. program will present "The Music Man" as a new program, the Steve Barton Musical Theatre Project. Named after Steve Barton, a Broadway musical star from Nederland High School, this new summer project involves NISD students creating sets, costumes, and props in the mornings and rehearsing in the afternoons for three weeks in a summer-stock environment.

The Steve Barton Musical Theatre Project honors the former resident who achieved international success in musical theatre.

Students and community leaders will share the stage in the production, set for 7:30 p.m. Friday and Saturday, June 25 and 26, at the Nederland High School Performing Arts Center, off Spurlock Road. Admission is \$5 at the door.

Barton, born in 1954 and died in 2001, grew up in Nederland and played roles with Swiss, German and Austrian theater companies. He appeared in "Godspell," "The Fantasticks," "Jesus Christ Superstar," "Evita," "Guys and Dolls" and "Camelot," before playing the role of Munkustrap in the original Vienna cast of "Cats" and originated the role of Raoul in Andrew Lloyd Webber's "The Phantom of the Opera" in London.

The Music Man features hit songs such as "Goodnight My Someone," "Til There Was You," "Shipooopi," and the show stopping "Seventy-Six Trombones."
