SHOW SYNOPSIS

More so than any composer and lyricist who have written for the stage, the songs of Rodgers & Hammerstein have become an integral part of our everyday lives. We sing them in the shower, we dance to them in ballrooms, we hear them on the radio and in clubs and, yes, in elevators and supermarkets too. We still thrill to them on the live stage in their respective shows, and we teach them to our children. This stunning collection of compositions places five performers in a theatrical setting-first 'backstage,' where the songs are sung as personal interplay, and then 'onstage.' While offering the performers an opportunity to explore the songs within their own styles and sensibilities, it offers the audience a glorious parade of genuine hits.
